

Swindon North End Bowls Club
(founded 1926)

Notice to Members

Club shirts

It was agreed at the Pre-season meeting that club shirts (polo type with badge) would be worn for ALL games this season except Hat Night when a white collared top will be acceptable. Any other exceptions will be at the Captain's discretion.

Shorts

It has been agreed by Bowls England, Bowls Wiltshire and the S&D that shorts may be worn for all games. This is not compulsory, it is optional and is an individual decision for those who wish to do so. There is a Bowls Wiltshire statement on this detailing requirements to be met if shorts are worn.

Each Club has to make their own decision on this matter and decide their own policy.

Members are therefore advised that the North End policy is that shorts may worn by anyone wishing to do for any games providing they conform with the guidelines. It will also be acceptable for visiting teams to wear shorts.

A copy of the BW statement and guidelines is posted on this notice board.

John Pheby (Hon Sec.)
